The Foreword

Memory is that faculty of reproducing and identifying past experiences. There are those memories which remain constantly vivid in our minds and again there are those that need an inspiration in order to recollect them. As years go by our memories become more and more precious treasures which upon the command of thought can recreate past experiences and give us an endless source of enjoyment and a new set of values on life.

It is the hope of the Cumberlander staff that the memories of your experiences at Cumberland High have been pleasant ones and that in this book you will find the inspiration necessary to recall them all.

Cumberland Township High School

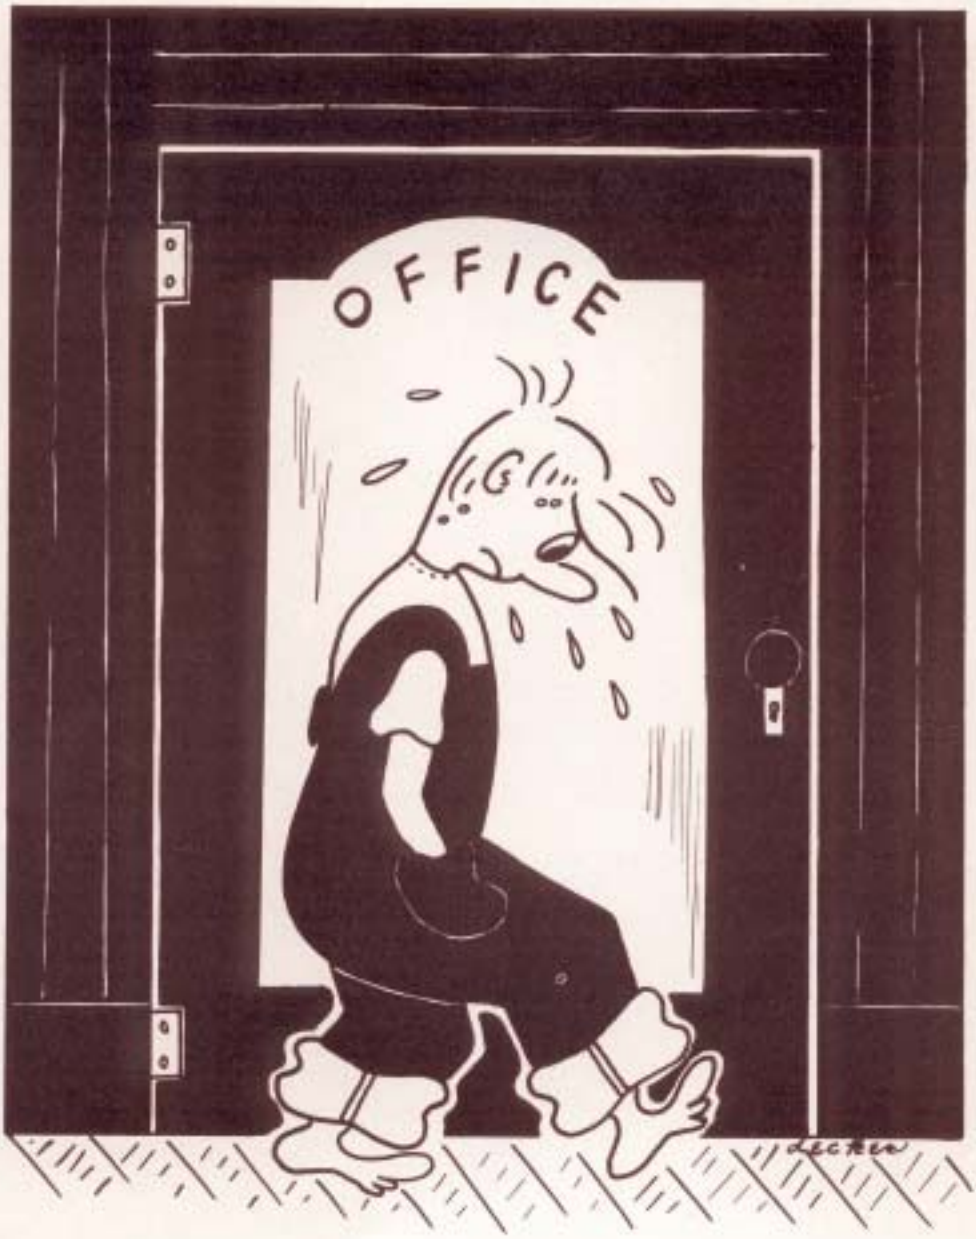
Our Alma Mater

Dear old Cumberland a toast to you,
Cumberland, our Alma Mater.
In our hearts, we'll ever think of you.
We are loyal Sons and Daughters.

Dear Golden years passing by,
Oh how they fly,
Short years for both you and I.

We will always sing this song to you.
To the world we'll tell your story.
We are proud that we belong to you.
As you stand in all your glory.

ADMINISTRATION



Board of Education

Mr. William Sica
President

It is the hope of the Board of Education that our schools are assisting in shaping the minds and character of our youth and giving them the strength of body and wisdom of mind to preserve the freedom made possible by our forefathers. Since it is the educational system which determines our national wisdom, we want to give our best toward the teaching of our youth so that our democracy will not only be secure but strengthened by their leadership in the future. We can not afford to fail in these aims.

ADMINISTRATION

I am honored in having this space alloted to me by the staff of the Cumberlander in order that I may bring to you my sincere appreciation for a fine spirit of co-operation in successfully carrying out the many and varied activities within the school. The school year 1954--1955 marks the thirtieth year of my association with Cumberland Twp. High School--the past eleven as principal. Let me say that in all these years, none has been more gratifying. No group in my memory has excelled you in assuming the responsibilities necessary to carry on successfully the many programs within the school.

I congratulate you and offer my best wishes to all,

Mr. D. P. Venen

As I am about to conclude my twentieth year at my Alma Mater, I am very appreciative of the opportunity to express my congratulations and best wishes to the class of 1955. May our experience here together be useful as we face the years to come.

Class Flower - White Rose
Class Colors - Pale Blue and White
Class Motto - In Unity Is Strength

Goodbye, dear classmates, old and new
We hope to come back and visit you.
We'll watch the juniors take the reins,
And see them conquer senior strains.
And hear the sophomores say with thanks
"At last we're in the upper ranks!"
To see the freshmen with delight,
Become sophomores over night.
We thank you all for what you've done,
To make our stay a happy one
And so before we leave today,
We must confess.....we'd like to stay.

We say farewell to you, Seniors,
We will miss you in every way.
The fun we had, your smiling face
Will be with us for many a day.

As you take your places in the world
Wherever those places may be
May luck, happiness, and friendship, too
Follow you constantly.

While traveling down the pathway of life
If you need a helping hand
Remember that we will always be
Your friends from Cumberland.

Motto - The success of tomorrow depends upon the preparation we are making today.

Along the half way mark we pause
To look behind and fore,
To survey our accomplishments
And see what lies in store.

Much has been gained, there's more to do
The goal seems far away
We hope we get as far as you
By our commencement day.

As graduation day draws near
We hate to say goodbye
No matter where your paths may lead
Remember us at Cumberland Hi.

Looking back through the history of the school, we find that the student council had an early origin. However, it seems to have been discontinued and revived several times. The present student council is under the leadership of Mr. T. J. Doyle.

The purpose of the council is to maintain and strengthen a democratic relationship between the student body and the faculty.

There are sixteen members in the council, one representative chosen from each home room except the senior homerooms which are allowed two representatives.

The council this year has participated in the following activities: a magazine campaign, a successful freshman customs program, several assembly programs, sweaterhops, and bake sales. Pins were awarded to the person who made the highest number of points in their class and belt buckles to the senior basketball and football players.

The Freshman Research Organization is the most recently formed club in our high school. It was begun on February 5, 1953 by its present sponsor, Mr. Doyle. The club is primarily for freshmen who are interested in science, but upperclassmen may and do belong. Its main purpose is to apply scientific knowledge to everyday living.

During the first year the club members' chief activity was that of constructing models and making reports on scientific subjects. These reports were then added to the club library where they are available to anyone wishing to use them.

This year the club is divided into committees; each involves a different field of science. These committees are each planning to enter one of the science fairs by submitting an entry to the field they represent.

The Mike, our school newspaper, was first published in 1933 by members of the student body. Since then it has been a continuous publication, being published at times both monthly and bi-monthly.

Today the Mike with Mr. Davis as advisor is published monthly and contains such features as: school news, sports, humor, and editorials.

Students obtain membership by applying for such positions for which they feel qualified. The applicants are then screened by members of the faculty according to: scholastic rating, literary ability, dependability, and business management.

The present size is fourteen pages which is an increase over the original size. Added features have made it necessary to increase the number on the staff which is now twenty six.

Since considerable improvements have been made during the last twenty years it is the hope of the present staff to make such additional improvements which will make our Mike a bigger and better paper.

The local chapter of the Junior Classical League was organized in 1946 by the present sponsor, Miss Goodwin.

Members are taken into the club if they have completed one year of Latin, and if their grades average B or higher. The present membership is approximately forty.

Last year the club sent representatives to the State Junior Classical League Convention at Blairsville, Pennsylvania. At the convention, Joyce Urda was elected State Secretary and Ronald Husk, Delegate at Large. On April 15th and 16th, Miss Goodwin, Joyce Urda, Ronald Husk, Pearl Wielkiewicz, and Paul Baily will attend this year's State Convention at Fawn Grove, Pennsylvania.

The present officers of the Junior Classical league are: Paul Baily, president; Ronald Husk, vice president; Jane Bisub, secretary; Loretta Frascarelli, treasurer.

The National Honor Society is sponsored by the National Association of Secondary-School Principals, a department of the National Education Association. The Cumberland Township chapter was granted its charter on March 5, 1938. Mr. J. W. Kerr sponsors the society.

The organization chooses its members on merits of scholarship, service, character and leadership. The group consists of fifteen percent of the senior class who excel in these qualities.

The society sponsored a number of projects during the year in order to finance its annual excursion to Washington, D. C.

The play, "Let me Grow Up," was the principal project of the year.

The sponsor of the society, Mr. J. W. Kerr has been a definite asset for his advice offered in each and every project.

As a service to the school, a questionnaire is being prepared to be sent out to recent graduates of the school in order to obtain information which may result in aiding the direction of activities of the school.

The Home Economics Club was organized in 1949 by Mrs. Margaret Gdovka, who has since then continued to sponsor the organization.

The purpose of this club is to create more interest in home economics, to have a more worthwhile leisure time activity, and to combine school activities with home life activities.

To become eligible for membership, a girl is required to complete two years of home economics.

Activities of the club vary from year to year. This year the club went to see demonstrations given by the gas company. A trip to Pittsburgh gave an opportunity to see the Heinz Factory. Representatives from the electric and gas companies demonstrated stoves to all the home economics classes. Information gathered from such activities will be invaluable to future homemakers.

When a girl has completed at least two years in the Home Economics Club, she is presented the club pin. If the girl completes only one year in the club, she is permitted to buy her pin.

At present there are thirty-five members in the club. The officers for the 1954-1955 term are Betty Barno, president; Helen Shefcheck, vice president; Dolores Lescar, secretary; and Barbara Fecik, treasurer.

This Old House

The aim of the American History Club is to retain the ideals for which our forefathers fought and died so bravely.

To become a member one must have a high scholastic standing, be patrotic and show co-operation among fellow-students.

The American History Club has numerous committees, each of which has a special duty. Field trips are made occasionally for the purpose of obtaining historical facts and information.

Each year the club attends the Convention of the Pennsylvania Federation of Junior Historians, held at California State Teacher's College. In 1954, Pearl Wielkiewicz spoke on the subject, "One Hundred Years of County Superintendents." The secretary, Clara Moser, gave an account of the club activities, and Ronald Husk was elected president of the Southwestern District of the Pennsylvania Federation of Junior Historians.

The Band

The Cumberland Township High School Band is one of the most active groups of the school. Directed by the very capable Mr. Battaglini, the band performs intricate drills during the half-time show of the football games, home or away. The band has also participated in many parades including the Tournament of Bands Parade at Kennywood where it was ranked very highly by the judges. The band takes part in many assemblies and pep rallies where it is always well received by the student body.

The members' ability to play anything from modern jazz to heavy classical compositions is proved at the Annual Spring Music Festival, which is the climax of a successful music season.

The band is always well represented at the All-County Band, and usually several members are selected to attend the Western District Pennsylvania Band. Sometimes, a member is chosen to attend the All-State Band which reflects greatly on the band and the director.

The majorettes and color guards also play an important part in the appearance of the band.

The color guard has the distinction of being the only local group carrying three flags, the school, the state, and the national flag.

The majorettes perform precision timed drills and dances at all band functions, which add color, spirit and glamour to the band.

Teachers' Secretaries

The Future Business Girls of America was organized by Mrs. Elizabeth Ross Mitchell, for the purpose of teaching future secretaries how to properly dress and act, how to apply for a job, and to learn the duties of a secretary.

Any girls taking the commercial course who have had one year of shorthand and two years of typing may join this club by requesting membership stating their purpose for joining the club. Any girl who joins the club must be willing to give her time and service to aid teachers in their work. Upon admission to the club, she must be willing to co--operate with the regular members in all forms of initiation.

Any member of this organization, who does not abide by the constitution and the by-laws, can be dropped from the club by majority vote of the club, after having received a warning notice signed by the president, sponsor, and the secretary.

The officers guiding the club's activities for this year are Betty Barno, president; Diana Citrone, vice president; Dolores Buljat, treasurer; and Beverly Decker, secretary.

Doing a Good Deeds

The Junior Red Cross was organized several years ago under the direction of Miss Baily. The club is now under the superviston of Miss Wilson and the following officers: President, Ruth Tippen; Vice president, Sandy Titus; Secretary, Betty Viol; Treasurer, Devonnah Willis.

Anyone can join the club as long as he is able to attend each meeting and willing to be of service At present the membership of the club is forty--three.

The slogan of the club is "We Serve Others." In carrying out this slogan the club has sent gift boxes to children over seas, Christmas cards and decorations to the Green Hill and Curry Homes at Waynesburg, Pennsylvania. The only additional activity this year was a visit to the Greater Pittsburgh Airpost and Phipps Conservatory.

The Camera Club was organized in the fall of 1947 by the present sponsor, Mr. Gavlak, who has since then kept a very active organization going. In the club the members learn how to take pictures, develop negatives, make prints, enlarge, tint, and mix the chemicals used in this work.

The membership of the club is kept around thirty. Freshmen interested in joining the club are voted in by the members in the organization at that time.

The requirement for the first year of membership is to take a picture with natural lighting, to load a role of film in a camera, to load film tank, to develop film, to make and develop contact print, to rinse and squeeze a print, and to clean trays, and tank. These requirements must be completed within a nine week period in order to retain membership.

Second-year requirements are to complete all the requirements of the first year, to take a picture with a flash bulb or other artificial lighting, and to prepare a short-stop, developer, and hypo.

In the third year of membership, the requirements are to complete all requirements of the first and second years, to enlarge a picture and develop same, and to tint a print.

Requirement for seniors is to have all the requirements of the first three years completed, and in addition, to write a thesis on some phase of technical information from a list supplied by the sponsor.

During field trips, the club members are taken through photographic studios, displays of outstanding pictures of national and world photographers are seen in the museum, and they are given the opportunity to take pictures of suitable photographic subjects. The members are encouraged to submit pictures in high school contests, and also to display their own exhibits of pictures on the bulletin board.

The Future Craftsman of America, as an official organization, began with the adoption of a constitution at a national organization meeting held in Detroit, Michigan, November 6, 1936. After World War II the national headquarters were discontinued. Now there is no national organization. Just a few of the schools in Pennsylvania have the F. C. A. as a club. In the future the club plans to get all the schools in the district that have an industrial arts department to join together into one complete unit. Much credit is due to Mr. Vail for a very active club and for its high ideals and purposes.

The club has been privileged to take a trip to Cleveland where they visited the White Motor Company and the Khaler Manufacutring Company, to Pittsburgh to H. J. Heinz Company, the Continental Can Company and to Donora where they visited the Youngstown Sheet and Tube Steel Mills.

The club has visited the Crucible mine and many other places of industry.

Plans are now in the making to visit such places which would be of interest to the club.

To become a member of the club a boy must take the Industrial Arts Course and maintain an average of B or better in that subject. After a member is elected into the organization he must maintain at least an average of B, and he must not miss more than three consecutive meetings without a legal excuse. He can be expelled by failing to maintain his average, or for improper conduct on a trip or for losing interest in club work.

In order to help finance the club activities, the club group is making plans this year to refinish and repair furniture for anyone in the community desiring such work.

The Girls' Athletic Association is one of the oldest and one of the most active clubs in school. Miss Baily is the present sponsor of the organization.

The purpose of the club is to administer girls' athletics in such a way as to provide opportunities for all girls at Cumberland to participate in both competitive and noncompetitive athletics within our school. The club also provides a variety of athletic activities for girls to stimulate interest in wholesome recreation and to introduce ideals of good sportsmanship.

The membership of the club is approximately eighty girls. Any girl can become a member if she earns 125 points by participating in noon games, by volunteering for duties in gym class, and by taking part in programs sponsored by the club. After becoming a member, she receives a club emblem. A block letter "C" is earned by accumulating 250 points, and a gold pin, for accumulating 300 points. Points must be earned every year to remain in the club. If a member misses three consecutive meetings without a valid excuse, she is dropped from the club.

The club sponsors such activities as noon games, dancing, and the most colorful event of the year, May Day. This year the club initiated the Valentine's Day Dance, and hopes to make it an annual event.

The officers guiding the club's activities this year are: Jean Bizub, president; Joan Stockdale, vice-president; Gloria Kowalewski, Treasurer; and Joyce Urda, Secretary.

Library Service Club

The origin of the Library Service Club dates back to nineteen forty-four, when the organization was under the name of the Library Council. Miss Coodwin, a part time Librarian, was the club sponsor. In September, nineteen forty-eight, Mrs. Crago became the new sponsor and also our first full time librarian.

The Library Service Club, at the present time, is composed of a group of seven girls who strive to make the library ready for the students' wants and needs. Previously, there were more members, but due to the lack of space in the library, the membership is limited.

The principal requirement for membership is one year of faithful service in the Probationary Library Club in which membership is based on honesty, loyalty, service, and regularity of attendance.

Having satisfactorily served for one year on the Probationary Library Club, the candidate's name is placed on the eligibility list. The members of the Library Service Club then vote into their organization the candidate who has the necessary qualifications and who has presented a letter of recommendation from a teacher.

Repairing books, typing, dusting, washing windows, clipping newspapers, putting away books and magazines and other small but important tasks are the activities of the club. Each girl is required to work two days a week in order to keep membership.

Members of the organization receive a club pin after one semester of service. Following the elections in May, each senior member is awarded letters and stripes which signify the number of years of service.

After two years of undefeat, the Cumberland Mikes came up with a small, inexperienced, but spirited team. With only six lettermen back from the previous year the outlook for the 1954 season was unpredictable.

Under the able leadership of head coach, Mr. Fred Stuvek, assisted by Mr. Anthony O'Brochta and Mr. Victor Lapowicz, the difficult task of building a team around the returning lettermen was begun.

After three weeks of hard practice the team faced its first foe of the season, the South Unior Blue Devils, who traveled to the Mikes stamping grounds. The Mikes were handed their first loss in two years.

On the first away game of the season, the Mikes were handed a crushing blow by the Carnegie Little Tartans. It was the first time in the last twenty-nine games that the Mikes failed to score in a ball game. The Mikes fought bravely and held the game scoreless for the first quarter, but the Little Tartans struck paydirt in the second quarter to take the lead in the ball game. Before the first half ended, the Little Tartans scored again and led 12-0 at half time. Carnegie scored again in the third quarter to up the score 19-0. The final score was made in the last quarter to climax the game 26-0 in favor of Carnegie.

In the third game of the season the Mikes bowed to Masontown for their third defeat. The Masontown Gunners started in the first half to run the score to 25-0 in their favor. Their final score came in the third period to make the score 31-0. However the Mikes rallied in the fourth quarter to score two touchdowns. Pete Reynolds intercepted a Gunner pass and tramped for 60 yards to score. A little later, Duane Horkey returned a punt for 50 yards for the Mikes final score.

The Mikes lost a heart breaker Friday, October 8, at the Mapletown field; 8-6. The Maples scored first in the second quarter on an end run, but they failed to make the extra point. The Mikes then drove down the field and "Serb" Krewsky crashed over for the six point tally. The Mikes failed in the extra point try. The tie breaker came when the Maples cornered "Gus" Gdovka in the end zone, blocked his kick, and recovered for a

two point safety. The half time score was Cumberland 6, Mapletown 8. The game was a thriller all the way. It ended with the Mikes on the Maples I yard line after a brilliant passing display by Krewasky and receiving by Arkie Smith, Ben Rapchak and Eugene Nopwasky. The whistle blew and the Mikes had lost its fourth straight game.

The first Coal Bowl game was played here Saturday evening, October 16, after being postponed by rain on Friday afternoon. Saturday's game was the twenty-sixth game between the two rival schools. The Mikes have won twelve, the Jeffs ten, four have ended in ties. The Mikes battled bravely, but were overpowered by the Jefferson Rockets. The Jeffs scored one T.D. in the first quarter, two in the second, and one in the fourth.

For the first time in ten years the Mikes failed to win over the Waynesburg Red Raiders. The county-seaters and the Mikes met on the Mikes home field. The Mikes scored in the second quarter of play on a brilliantly executed fake by Benny Rapchak and Red Ellsworth on a punt return. The Raiders scored their touchdowns late in the second and third quarters. It was the Mikes sixth defeat of the season.

The Mikes posted their first win of the season when they defeated the Mt. Morris Black Hawks 21-6. The scoring honors went to Duane Horkey. Joe Volchko, Mike Lucas and an extra point by Red Ellsworth. Mt. Morris scored their only tally in the third quarter.

In the final game of the season the Mikes were handed on a 25-6 set back by Bethlehem Joint. The Bulldogs scored on the first, second, and twice in the third while the Mikes only score came when Don Whipkey carried the ball around the end for 19 yards.

With many of this years lettermen returning for the coming season the Mikes are looking forward to a more successful program.

ROW 2: Barry Barnhart, Allan Rockwell, Joe Cerqueira, Eugene Nopwasky, Michael Lucas, Robert McCann, Eugene Barnhart, Ben Rapchak, Coach, Mr. Lapowicz.

The Mikes this year under a new coach, Mr. Lapkowicz, enjoyed a fairly successful season winning 4 and losing 18. The year was a rebuilding one for the Mikes with only two holdovers from the 1954 squad. The Mikes had several close games, losing two to Waynesburg by 1 and 3 points, beating Mapletown by one, and losing one to Jefferson by 3 points.

The Mikes big gun was Jim Walters, who in mid-season set a WPIAL record for scoring the most points in a game by accumulative 60 points against West Beth. This set a new Greene County record with 512 in the season of play. The previous Greene County record was 509 set by the Mikes' Norbert Schifko in 1953. Jim also led Section 18 in scoring with 362 points.

From the varsity squad the Mikes will lose Jim Walters, Del Sloneker, and Robert Klysh. The returning lettermen are: Arkie Smith, Rusty Novak, and Milos Krewasky.

The Junior Varsity enjoyed a better season winning 11 and losing 11 under coach Lapkowicz.

WRESTLING RETURNS TO CUMBERLAND HIGH

For the first time in more than a decade Cumberland Township High School entered a wrestling team in district mat circles with Mr. Anthony O'Brochta, former heavyweight champion of Jefferson, as coach.

Wrestling was a major sport here from about 1932 until discontinuation during the war about 1942 under the coaching of Frank Bonifield.

In the first match of the season the Mike Matmen traveled to Mapletown to meet a strong Maple Leaf team. The only boys who won points for Cumberland Hi were Bill Hancock (88), who pinned his man, and Clark Rudolph (138) who won a decision over his opponents. The final score was 44-8 in favor of Mapletown.

Scott Township High School came to Carmichaels Feb. 8 to meet the Mike wrestlers, who had victory in their minds; but the Mikes weren't strong enough and they fell to a 24-21 loss in a thriller.

In the next to the last match of the season the Waynesburg High School "B" squad came to the school for a match with our wrestlers.

The boys from Cumberland showed real wrestling ability and won all the matches, but two.

The final score was 40-12 in favor of Cumberland.

Wool Queen Candidate
Loretta Frascarelli

The Annual State Wool Festival

In the 1954 Annual State Wool Festival held in Waynesburg, Pennsylvania, Cumberland Township High School was represented by Loretta Frascarelli. One candidate for Wool Queen was chosen from each high school in the county on the basis of beauty, poise, and personality. From this group of candidates, a queen was chosen by impartial judges with the remaining candidates to serve as the queen's attendants. A special float for these chosen girls was the center of attraction in a lengthy parade which initiated the activities of the festival. The highlight of it all was the Crowning of the Queen. The subject of wool was the basic theme for everything from speeches to displays and in Greene County, that subject is not strange at all because ours is the greatest wool raising County in the State of Pennsylvania.

The festival was climaxed with a square dance held in the streets of Waynesburg with music furnished by Slim Bryant and His Wildcats.

The festival is to be an annual event and we are looking forward to participating again in its activities.

Coal Queen Candidate
Sondra Titus

First Annual State Bituminous Coal Festival

The first Annual State Bituminous Coal Festival was held in Carmichaels, on October the thirteenth through the sixteenth, nineteen fifty-four.

Coal is the most important resource of Green County, which made the county an excellent locality for the festival. In Green County, as is common in all western Pennsylvania, the coal production along the western bank of the Monongahela River has increased greatly within the last few years. The county contains one-quarter of the reserve of Pittsburgh coal in the state.

The United States Bureau of Mines put on several demonstrations and many notables spoke. Dr. Robert Gray, master of ceremonies, crowned Mr. and Mrs. John Walters as the oldest King and Queen of Coal. On Saturday, various associations, organizations, and schools were represented in a colorful parade held in Carmichaels. That afternoon the first Coal Queen of Pennsylvania, Anna Mae Wancheck, was crowned by Mr. Harold Stassen, Director of Foreign Operations Administration. She was chosen on qualities of poise, beauty, and personality. Her court princesses were Sally Hoy, Dolores Janus, Henrietta Knight, Sondra Titus, and Charlotte Yaromy.

The festivity was concluded by a Coal Bowl Game between Jefferson and Cumberland Township High School. Places are now in the making for the Second Annual Coal Festival which will be held next fall.
